R & D, Material Manufacture and Installation – all in one Hand !

Hi-MARK

is a 3 - 4 mm permanent marking for trafficked floor signage:

Arrows, STOP, Give Way Triangles, DROP OFF, PICK UP, Pedestrian Crossings, NO ENTRY

Hi-Lite

is a long life marking system, the same material as used for the surface topcoat coloured white or yellow for:

- Lines , Hatching, Bay Numbers
- Logos: Disabled, Woman/Child, Walking Man

All **Hi-MARK** & **Hi-Lite** marking is installed by ROADCOAT as an integral part of the **G3 OS-11** and **CENTRO** systems. This marking is included in the respective Warranty Package.
